PRE- CHAPTER HOLY CROSS PROVINCE

Via Zoom Conferencing and Community Gatherings January 15-16, 2019

ATTENDEE NOTEBOOK

This Pre-Chapter is Where Chapter Begins

We ask you to think deeply during these 2 days of Pre-Chapter. Listen for the blessings of the past, the hopes for the future. Be attuned to what is underlying in these five Working Groups that we have collectively identified - *Charism, Community, Collaboration, Outreach and Preaching* – and especially listen and share where you see them converging, where you hear clarity and sense momentum.

There is a saying which goes, "don't make notes about what I'm saying, make notes about what my words are making you think about".

Keep in mind that there is still much to be done by the Working Groups in the months leading up to Chapter. They want and need your reflections and ideas.
