

Passionist Family Gatherings
Community of Holy Name
Houston, Texas - April 4, 2019

The Houston Community of Holy Name in Houston came together for the Passionist Family Gatherings on Thursday April 4, 2019. A mixed group of people; vowed, board members, and staff came together in the evening for prayer and reflection.

Vision Commission Member Joe Castro facilitated the evening process. Small groups were formed to reflect and discuss the assigned reflection questions. Discussion groups were interest based; board members, vowed Passionist, and staff. Lively discussions took place in each group and the plenary sessions allowed groups to hear the different perspectives of the other groups.

The gathering had a very positive feeling with members looking forward to bring the Visioning Process to a close at our fast approaching Chapter meeting.
