Ministry Vision Fulfillment Team Minutes February 25, 2020

Present: Faith Offman, Tim O'Brien, Mike Higgins, Bruno D'Souza, Alexis Salazar

Faith opened with a reflection

Short introduction of members

Reminder of our purpose:

- Act as a 'Think Tank' to review 'Calls to Action' from the 2019 Chapter from the Ministry perspective and through the lens of Charism and Laudato Si
- Consider a time line for moving forward
- Identify who or what group from the Vision Fulfillment Grid could be helpful for implementation
- Are there others we need to bring to the conversation on occasion

Some Concerns:

- Historically ministry has emerged from the life experience of the community
- Can ministry be designed by committee rather than the life of the community
- Community is being redefined with inclusion of laity
- How do we include the broader Passionist Family in the life of the community
- How do we set up teams or structures/process to share life around the charism
- Can we strengthen what is already happening
- There is a variety of models and ways to share life
- How are the 'Calls to Action' interconnected and interrelated
- How do we discern how to bring forward the agenda integrated with Laudato Si?

We decided to try and meet about every 3 weeks for one hour via Zoom. Next meeting March 18th at 2:15pm EST
