

## New Partnership Summary – April 7, 2020

### Ideas discussed to date:

1. Partnering with the Passionist Sisters in their work with immigrants and refugees at the southern US border.
2. Partnering in a new way with St. Paul of the Cross Province. (Invite Fr. Richard Burke and Fr. Jim O'Shea to join one of our Zoom calls.
3. Partnering as way and means of ACCOMPANIMENT to expand exposure to our Charism.
4. Partnering with other religious orders which have found a way to formalize lay participation in the leadership of their Province.
5. Partnering with local groups/individuals which have a mission compatible with our Charism to join forces in a fresh way to strengthen and advance each organization. (We will do an inquiry with known groups in Detroit to determine if a pilot program is advisable.
6. Partnering in a new way in Birmingham.

### Things we take into account before advancing an idea:

1. Is this bringing more people or resources into our current ministries, or redirecting our current resources elsewhere?
2. Do we have to imagine where the Resources for our ideas will come from?
