INTRODUCTION TO PASSIONIST LAUDATO SI' PROGRAM

Please receive the first session of the Passionist Laudato Si' program which I launched on 24 May 2021.

The program named: *Passion of the Earth – Wisdom of the Cross* was launched online in partnership with the members of the Passionist Solidarity Network who were commissioned to produce the six-sessions (one year) program, the presence of the Configuration Presidents, and with the participation of some Provincials and Vice Provincials. I share with you in attachment my address in launching the program.

As we send out the first issue of the program, I want to once again call you to engage and participate in the sessions with your community every couple of months. You may also introduce the program to people within your parish or other ministry communities to become involved. The program is for the participation of all members of the Passionist family.

The aim is our personal and communitarian conversion which, we hope, will result in concrete actions through the adoption of new attitudes and change in lifestyle which will promote the “care of our common home” now and make a difference in the enhancement of life in all its aspects for future generations.

I trust and look forward to your full cooperation in this program which is in response to the call by Pope Francis.

Blessings and best wishes,

P. Joachim Rego, C.P.
Superior General
